

Getting Started with APEX

- 1.) Log onto the APEX site: <http://www.apexvs.com/>
 - 2.) Type in your user name and pass word (teacher will give you this)
 - 3.) Make sure you can see the "Spanish II" course and "Bienvenidos" announcement
 - 4.) If this is the first time you are logging into the computer, click on "Run System Check-Up" on the right side of the screen
- ** If unsuccessful, please contact Mrs. Vieni-Vento immediately at sarah.vieni-vento@nccvt.k12.de.us
- 5.) Click on the "Orientation" button to run the short video that will introduce you to the icons and the organization of your course
 - 6.) Set up your "Profile" and don't forget to include your most current contact information!
 - 7.) Click into your class and begin to work on Spanish II assignments! Don't forget about those **due dates**!
